Charity Registration No 212331

Colour Index International 4th Edition On-line

Product Registration form for Pigments and Solvent Dyes

Products which are NOT already registered in the Colour Index

If the product you wish to register **does not** already exist in the Colour Index under some other designation, either under your commercial name or the commercial name of another manufacturer, please use this form

*Your commercial name:

*(We need you to show the chemical structure in the box below):

If this is a new and unique colorant please tick the box opposite if you wish the structure above to be kept confidential. (If this box is not ticked then the structure may be published)

*Application Class (see notes).....

*Chemical Class: (see notes).....

*Physical Form: (see notes)

*Shade (see notes).....

Sample of pigment or solvent dye

Name of substrate coloured above:

*Main application: (see notes)

*Substrate: (see notes).....

*End Uses (see notes).....

Discoverer (if known, can be a company name).....

*CAS Number

EC Number.....

Uses and comments

Company affiliations (see notes).....

Important Note: Colorant classification is undertaken based on information supplied by registrants and the knowledge available at the time a new C.I. Generic Name or C.I. Constitution Number is created.

The C.I. Generic Name defines the essential colorant only. Commercial products listed under the same C.I. Generic Name may not have identical application, fastness or ecological properties; check with the supplier concerned.

Declaration

I certify that the information provided here refers to the product manufactured by ourselves or is retailed by us with the knowledge of the manufacturer.
